

# Accounting Research Manager® Audit Essentials

Build Your Own Audit Solution by Combining the  
Auditing Publications Most Important to You

CCH is Advancing Business with Best in Process™ Solutions, Delivering Faster Answers and Better Results.

Audit Essentials is a unique option that allows you to customize a solution to meet your firm's specific auditing requirements. Build your solution by selecting three of the best-selling auditing publications provided by Accounting Research Manager® (ARM). You'll have access to content written by highly credentialed accounting experts with more than 130 years of collective experience as CPAs and financial reporting experts.
