

IntelliConnect® Business Incentives Manager

Maximize business and tax incentives with this all-in-one solution.

Credits and Incentives by State or Industry • Location-Based Tax Incentives and Credits • Practical Guidance and Authoritative Information

Business Incentives Manager provides all the tools you need to streamline your research, maximize your productivity and, most importantly, optimize your tax strategies. It is comprised of three respected products in one comprehensive resource:

- Business Incentives Navigator
- Tax Zone Locator
- Business Incentives Guide

Business Incentives Navigator

Business Incentives Navigator offers a more efficient and accurate tool for identifying all the credits and incentives for a given state or industry. Both tax and non-tax incentives are included to ensure no opportunity is missed.

- Multi-jurisdictional information on all state incentives (statewide and location based) — includes income, sales and use, and property taxes, plus enterprise zone and non-tax financial incentives
- Incentives — provides 50 to 65 incentives per state
- *Smart Charts*™ — give you charting capabilities for quick multi-jurisdictional comparisons
- *Tax Tracker News*™ — provides customized daily news, delivered via email and your personalized web page
- Research support — includes links to authoritative guidance and explanations from Business Incentives Guide (with a subscription)

Tax Zone Locator Toolkit*

Tax Zone Locator Toolkit gives you the ability to easily find lucrative tax benefits by identifying location-based federal, state and local tax incentive areas. With Tax Zone Locator Toolkit, you can determine which of your business operations fall within a designated zone and all of the federal and state benefits offered by it.

- The most extensive database available — helps you determine if a business or employee address is located in a tax-favored area
- Comprehensive, up-to-date tax incentive and credit information — includes federal programs and state enterprise zones
- Detailed instructions for each program — link directly to current forms and contact information for each Zone Coordinator
- Fully integrated — ensures complete, accurate research and compliance
- Updated regularly — for the most current information available

* CCH has partnered with National Tax Credit Group (NTCG) to bring you Tax Zone Locator Toolkit. NTCG is the nation's leader in comprehensive, national property and employee address screening for location-based tax incentives, such as state Enterprise Zones, Federal Empowerment Zones and Renewal Communities. NTCG is the leading provider of tax incentive consulting services.

Business Incentives Guide

Business Incentives Guide helps you identify and track state business credits and incentives, with practical guidance on all applicable laws, regulations, policies and procedures. This complete resource covers every state program available.

- Detailed explanations with references — link to related laws, regulations and administrative rulings
- Identification and discussion of each state's tax credits — all organized by state and tax type
- Complete — includes hard-to-find information about state and local incentive programs
- Comprehensive — features detailed discussions of each state's enterprise or revitalization zone programs
- Official source documents — includes the full text of relevant state tax statutes, regulations, rulings and releases
- State and local personnel contacts — gives you a listing of the resources you need

- Daily Tax News

Training and Consulting Options to Fit Your Needs

CCH also offers valuable training, consulting and CPE to keep you ahead of the curve. From live training and consulting, to on-demand online learning, CCH provides the tools that everyone, from new hires to seasoned pros, needs to strengthen their abilities. Visit CCHGroup.com/Training to learn more.

STEP 1: Enter the property address.

STEP 3: Incentives and credits for each zone are clearly explained and easy to understand. Click on links to access required filing forms.

Tax Zone Locator quickly determines whether a specific business property is in a tax incentive zone and describes the available incentives in detail. It's an easy, step-by-step process.

STEP 2: Results are instantly displayed, showing which credits may be available for that location and which are not applicable. Click on the "Continue" button to see credits and incentives details.
