

## IntelliConnect™ Worldwide Tax Rates and Answers

Plan successful tax strategies with real-time, country-specific, national and local tax rates for corporations, individuals and low-tax jurisdictions around the world.

Global Coverage • All Content in English • *Smart Chart*™ Format • Daily Rate Updates • Over 200 Q&A's

Worldwide Tax Rates and Answers is a unique tax compliance and research solution that provides you with immediate access to real-time, country-specific, national and local tax rates, as well as current forms and instructions, for countries around the world — all in English. Only CCH can bring you this level of coverage to help you develop effective tax strategies.

### THREE SPECIALIZED MODULES **NEW!**

Worldwide Tax Rates and Answers is now available in three distinct modules to bring sharp focus to each specific area of taxation. Subscribe only to the modules that best meet your needs.

- Worldwide Tax Rates and Answers — Corporations
- Worldwide Tax Rates and Answers — Individuals
- Worldwide Tax Rates and Answers — Low-Tax Jurisdictions

### COMPREHENSIVE COVERAGE AND CONVENIENCE

Worldwide Tax Rates and Answers provides the most complete collection of national and local rates, tax forms and instructions, and official citations, along with links to relevant websites and other key practice aids.

- Up-to-date questions and answers to key compliance issues for each country covered
- Content written by in-country tax experts
- Easy-to-read *Smart Chart*™ format
- Forms and instructions
- Links from IntelliConnect™ to the latest information available
- All content in English, so you can easily understand all the issues
- *Global Daily Tax News* with country-specific national and local tax and business news coverage that keeps you current on the latest developments

### INCREASED ACCURACY AND IMPROVED PRODUCTIVITY

- Real-time tax rates — updated as rates change, plus monthly updates of legislation, forms and instructions to ensure you're up-to-date with the latest information
- *Global Daily Tax News* — customized news updates in English for the countries covered
- Expert answers — in-country tax practitioners/authors available to answer your questions about any material provided
- Ease-of-use — all country data organized similarly, with *Smart Chart*™ technology for easy country-by-country comparisons
- Legislation tracking — keeps you informed of prospective tax rates in each country to assist your planning and provision work
- Q&A Format — over 200 of the most commonly asked tax compliance questions and answers for each country for vast, in-depth coverage
- Increased productivity — quick access to the most current key tax information for covered countries, in English, increases efficiency of tax compliance officers, their advisors and other tax professionals
- Reduced spending — translated forms and instructions and real-time tax rates reduce reliance on outside counsel
