CCH[®] IntelliConnect[®]

Research & Learning

There is no question that the tax and accounting industry is changing. More and more is being asked of today's professionals, which is why CCH IntelliConnect was created. This powerful solution ensures that you supply your company and clients with fast, accurate and reliable tax advice and guidance. Not only do professionals now demand fast and easy access to information and services, they need it 24 hours a day, seven days a week. So, as the pace of change continues to accelerate, Wolters Kluwer will continue to be at the forefront of innovation by advancing CCH IntelliConnect to serve the needs of accounting professionals.

Faster Answers, Better Results

CCH IntelliConnect is the most powerful research platform available. It gives you unprecedented access to the industry's best content and tools. Specifically designed for the way you work, CCH IntelliConnect features an intuitive interface that's simple and easy to learn. Search your entire Wolters Kluwer library within a few seconds and your results will be delivered in filtered, organized lists.

Experience productivity like no other research platform

With our multiple tabs feature, conduct several searches simultaneously, seamlessly toggle back and forth between them or even leave them open all day. Our Categorized View and Library View options provide the flexibility to research the way you want — by topic, document type or relevance. With CCH Mobile™, stay current and informed, and conveniently have answers at hand by accessing CCH IntelliConnect on your iPad®,

iPhone® and Android™ devices. Get the full functionality of the platform, as well as convenient access to Wolters Kluwer's world-class research content.

In addition, integration with CCH Access™ Document provides improved workflow and efficiency. When in CCH IntelliConnect, you can save documents directly to a specific client folder in CCH Access Document.

CCH® CodeConnect

CCH CodeConnect is an enhancement for federal tax users that makes it easier to get useful information out of the Internal Revenue Code by providing more context around your searches. No more scrolling through pages of search results. This new feature offers a guided search that brings you directly to your answer — saving you time by making sure you don't go down the wrong path.

Features Include:

- Share research folders with other users. You designate which folders to share and with whom, giving them the ability to just read documents or read and save documents to the shared folder.
- Make and save notes and annotations to documents within CCH IntelliConnect.
- Save important documents directly to CCH Access Document.
- CCH Mobile allows you to access CCH IntelliConnect research, news and information directly from your mobile device.
- Innovative research capabilities give you an intuitive platform that works the way you do.
- User-friendly searching and browsing features make it easy to find your answers.
- Categorized View groups results by document type for quick viewing.
- Library View allows you to see all of your content on one screen.
- Having up to 12 searches saved in tab format gives you the ability to seamlessly move from project to project.

CCH® IntelliConnect Browser Search

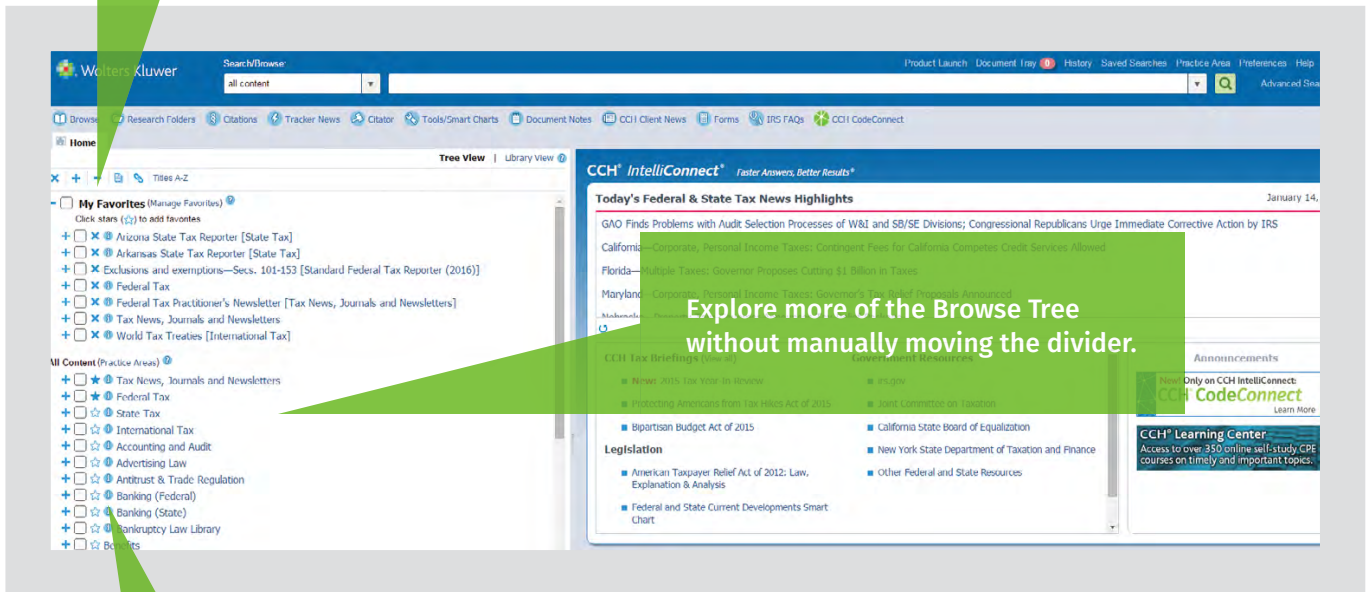

The award-winning CCH IntelliConnect Browser Search is a complimentary browser add-on that instantly sends search queries through Wolters Kluwer's subscriber content, and displays the CCH IntelliConnect answers directly on your Google®, Bing® or Yahoo!® results page. No logging in and no more alternating between research tools!

In addition, CCH IntelliConnect Browser Search is available directly from Quick Access Bars in CCH Axcess™. Get Wolters Kluwer's expert guidance integrated in your workflow and conduct research right where you need it!
