

# CCH® CodeConnect

Only available on CCH® IntelliConnect®, this new feature provides you with direct and easy access to the Internal Revenue Code and related materials.

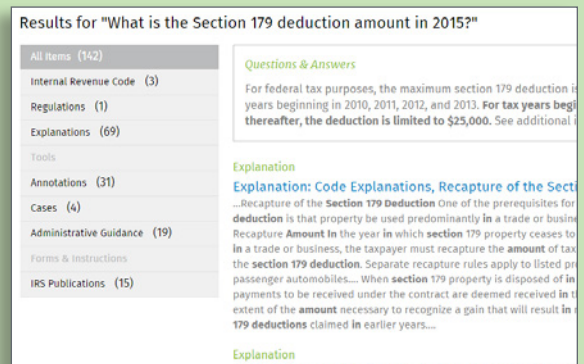

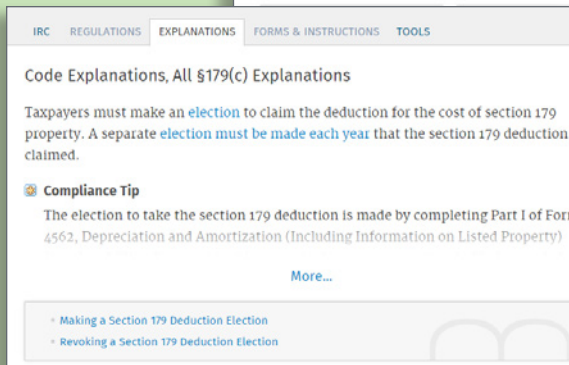

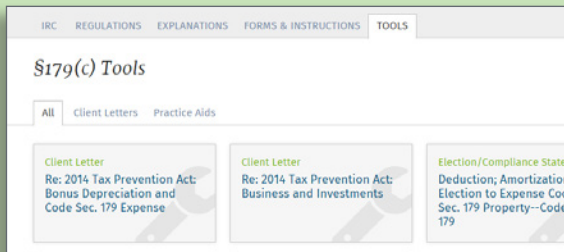

Designed specifically for federal tax researchers, the new CCH CodeConnect makes it easier to get useful information out of the Internal Revenue Code. It displays all relevant material — from code text and related regulations, to Wolters Kluwer’s analyses, checklists, client tools and decision aids — in your search results. By offering more context around each of your searches, we ensure you will be able to get your answer faster.

We know there is a lot of information you have to navigate through during your day. This is why with CCH CodeConnect, we’ve combed through the information first to provide you with the most relevant results — making you more productive and more confident in your decisions.
