**OmniTax Library for  
Universities and Colleges**

Give Students Real-World Experience With an Extensive Collection of Federal, State and International Tax Research Materials

OmniTax Library for Universities and Colleges is a powerful compilation of top-rated research materials that includes internet subscriptions to Wolters Kluwer's current and archival Federal and State Tax Reporters, and so much more! The subscription includes an unlimited capacity for 35 concurrent users and up to 100 personal IDs. Give your students an edge on success with access to world-class content from Wolters Kluwer.

### News and Developments

- **Tracker News** — Wolters Kluwer's daily electronic news service that provides customized news by topic and jurisdiction, delivered via email and your own personalized web page
- **Taxes** — The Tax Magazine® — comprehensive and insightful analysis of current tax issues, trends and legislative developments

### Federal Publications — Explanations

- **Standard Federal Tax Reporter** — the most comprehensive and current federal income tax authority in the industry. It provides a complete and up-to-date picture of federal income tax law, conveniently organized by Internal Revenue Code section.
- **Tax Research Consultant** — provides a practical, real-world focus on income, estate, gift, excise and Social Security tax laws and the important issues you face every day. It is written by experienced Wolters Kluwer editorial staff and leading tax practitioners to streamline your workflow and quickly guide you to the answers you need.
- **U.S. Master Tax Guide**® — the leading guide in the industry for more than 90 years, this quick reference provides tax practitioners with fast, accurate answers to a wide range of tax questions — in one compact volume
- **U.S. Master GAAP Guide** — gives you superior technical analysis, practical explanations and new insights into accounting principals

### Federal Tax Forms

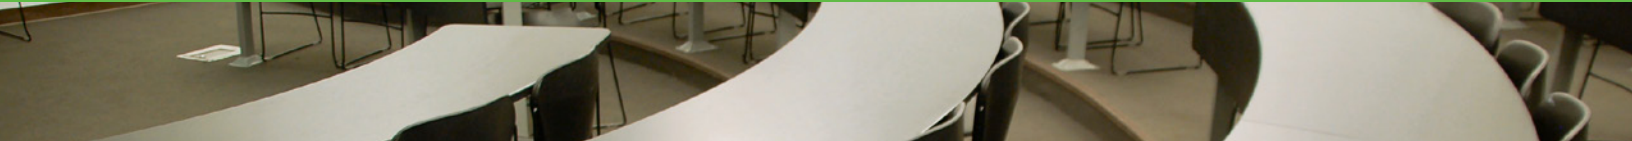

- **CCH® IntelliForms**® — enables you to locate, view, fill out, save and print thousands of federal forms and instructions, IRS Publications and practice aids

### Federal Codes and Regulations

- **IRS Publications** — reproduces the current IRS publications intended for public use by taxpayers and their advisors, so you're always up-to-date
- **Current Internal Revenue Code**

### Federal Explanations — Primary Source Material

- **Rulings**
- **U.S. Tax Cases** — full text is provided of relevant federal tax cases decided by the U.S. Supreme Court, U.S. Appellate Courts, the U.S. Claims Court, and U.S. District Courts, including the bankruptcy courts
- **Federal Estate and Gift Reporter** — the most comprehensive and current federal transfer tax authority in the industry. It provides you with in-depth coverage of the latest developments and federal transfer tax law changes. The Reporter includes full text of the Internal Revenue Code and Treasury Regulations on federal estate, gift and generation-skipping transfer taxes — all organized by Code Section for faster, more efficient research results.

## State Publications

- State Tax Reporters — includes 51 Reporters (one for each state, plus the District of Columbia) that provide the most comprehensive, authoritative and up-to-date collection of full-text laws, regulations and court decisions covering the entire field of state and local taxation
- State Tax Guide — provides easy access to state-by-state summaries of nearly all taxes imposed in each state, so you can quickly find answers to your everyday questions
- Multistate Corporation Income Tax Guide — features in-depth editorial explanations and relevant source material to help minimize tax liabilities of corporations
- Multistate Sales Tax Guide — the most in-depth explanations and case annotations covering sales and use taxes levied by each state in the U.S. and the District of Columbia
- Multistate Property Tax Guide — covers every state's real and personal property tax law, including information on taxability of property, exemptions, credits, valuation and assessment, rates, appeals, collection, payment, taxpayer remedies and more
- State Tax Review® — keeps you up-to-date on state tax news and state tax law developments for all 50 states

## Federal and State Practice Tools

- Client Letter Toolkit — allows you to quickly find and adapt appropriate client communications
- Depreciation Toolkit — allows you to quickly create a depreciation schedule for any business assets and provides information of depreciation options
- Federal Sales Tax Deduction Toolkit — calculates new sales tax deductions by the taxpayer's state and compares them to the actual receipt method
- Federal Tax Day
- State Tax Day
- CCH® SmartCharts -- State Tax
- Multistate Tax Guide
- Interactive Research Aids for Tax Research Consultant

## Tax Treaties

- Tax Treaties Reporter — provides tax practitioners with the most up-to-date collection of income tax treaties from around the world, along with quick access to important rate information within these treaties

## Timesaving Tools

- Tax Calendar — creates a customized calendar of federal and state due dates for the tax types and jurisdictions you specify and displays these dates, along with filing instructions

## Special Edition for Schools

- Unlimited capacity for 35 concurrent users, with up to 100 personal IDs — at no additional charge! That means up to 35 students can access the library at one time. And since you can have up to 100 IDs, each professor and student can have a personal user ID.
- IP Address Connection — this option lets users access the Library through their school Internet system, eliminating the traditional user ID and password process, as well as maintenance involved in changing passwords each semester.

## Training and Consulting Options to Fit Your Needs
