

CCH® CPELink

CPE Worth Your Time

Meeting your continuing professional education requirements every year is time consuming enough without spending extra time hunting for relevant courses and keeping track of what you need to take. **CCH CPELink** helps you meet your CPE requirements to maintain your license without giving you a headache. Hundreds of courses over a broad range of topics make it easy to find CPE relevant to your professional development, while the Compliance Manager makes it easy to actively monitor your CPE deadlines and mandatory subject requirements so you don't have to. Take a look at our course catalog today and feel good about the time you put into your CPE.

Webinars

We offer more than 300 live, online interactive sessions every year, hosted by some of the industry's leading experts.

You get coverage of today's hottest topics with a high quality, interactive course with knowledgeable instructors in an easy length — typically 100 minutes (2 CPE credits) — that fits into your schedule. We also offer deep-dive full-day programs (8 credits) on topics critical to your practice.

Self-Study

Learn at your own pace with our online self-study courses. More than 400 courses cover everything from tax and accounting basics to niche topics to help you in your specified field. Our self-study courses are easy to use, interactive and mobile friendly, so you can earn your CPE whenever and wherever you need to.

Live Seminars

CCH CPELink will host several live, in-person CPE seminars throughout the year. This is a great opportunity to not only earn your CPE, but meet industry experts face-to-face and network with your peers. Look for the schedule on CCHCPELink.com to see when a seminar will be held in a town near you.
